

Mr Muhammad Yekini,
Lagos, Nigeria

19th January, 2023

Dear Sir,

PROMOTION LETTER

It is our great pleasure to inform you that you have been promoted to the role of

Junior Associate L1, Python/ Data Science Team

effectively from **1st February, 2023**. This promotion is in recognition of the work you have done for this firm and your growth in knowledge development.

Your monthly remuneration with effect from 1st February, 2023 will be **NGN70,000**.

We are very confident that you will meet the new responsibilities which accompany the role with the same level of enthusiasm and enterprise which you have exhibited.

We extend our warm congratulations to you on this well-deserved recognition and wish you continued success in your new position.

Thank You

Olayinka Isimoya
Proservices Group

Bade Adesemowo
Deputy Group Head
